

Dear BelovED Families,

As summer approaches, we would like to assist you to help your scholar maintain their ELA, Math, and Social Emotional Learning skills before coming into first grade.

Attached you will find calendars of daily activities intended to promote phonics, reading, writing, body movements and math skills.

Please take a few minutes with your child weekly to focus on those skills. The activities within the calendars are intended to be short and enjoyable.

This should be organized in a small notebook. This will be handed in during the first days of school.

Please have scholars write the daily prompts in the notebooks and label the top of the page with the date.

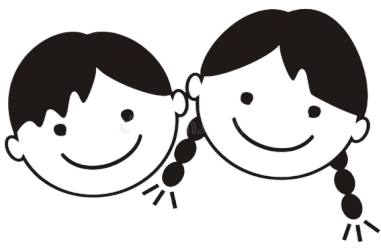

We thank you in advance for supporting your child's progress!

Sincerely,
The 1st Grade Team

BelovED 1st Grade Summer Activity Assignments

Potential Rubric

Completed all 53 Stars and wrote in the notebook	100%	Completed 23 Stars and wrote a few in the notebook	70%
