

Dear 2nd grade families,

Happy Term 3! We cannot believe how quickly the year is going! As we get into the Spring months, I know many scholars are already looking ahead to 3rd grade. It is so important to remember that the remainder of your 2nd grade year is so important! Although you have many months before you are officially 3rd graders, we wanted to give you an idea of some of the most important skills you will need to be successful next year! We are looking forward to meeting you in September!

Keep working hard,

The 3rd grade team
